

North American Nationals Model Horse Show

July 10-12, 2018 • Heritage Hall/Rupp Arena • Lexington, KY

Celebrating
22 Years
of Nationals!

Welcome!

Welcome all to the 22nd North American Nationals! I am delighted to have all of you gathered here once again in Heritage Hall for three days of competition.

NAN is a labor of many, and we would not be here without months of hard work and collaboration. I especially would like to thank our 2018 Registrar, Lindsay Diamond and her husband Mike. Lindsay has spent many hours processing entries, prepping leg tags, and fielding your questions. As she is unable to travel to be with us, Christine Jordan is here in her place. This is also Christine's fourth time as the voice of NAN! Vicky Kitzman will be our Head Steward this year, wrangling stewards, judges and oh so many clipboards. Teresa Buzzell has once again bestowed us with a beautiful program. Teresa has also been instrumental behind the scenes preparing public relations postings and as a sounding board for planning the show's many details. To all my stewards, ribbon runners and other volunteers, thank you for your time and dedication to our hobby. This show would not work without you all.

I also thank my judges for their time and considerable expertise. All were chosen for their proven proficiency in each division and breed type they have been assigned to judge. I am grateful to have each of them available to us.

As you read through this year's program, please take notice of the Merit Award winners of the last two years. Our Merit Award Coordinator Mary Ann Snyder has worked tirelessly during her time on the Board of Directors processing your applications and promoting the MA Program. Volunteers like Mary are the very heart of NAMHSA.

As your outgoing President, I thank you all for your patience over the last two years and welcome Sara Parr as our new NAMHSA President.

Do you have more NAN cards than you know what to do with? Don't throw them away!

Even if they're expired for NAN entry, you can always use them to apply for a Merit Award! NAMHSA's Merit Award Program aims to reward models who consistently place well at NAMHSA member shows. There are a variety of Merit Awards that a horse can earn from NAN cards won in Halter classes, Performance classes, or even from a combination of both divisions.

Horses are not required to compete at NAN to be eligible for Merit Awards. For many showers who may not be able to travel to NAN (and even those who do attend!), Merit Awards are a fun goal to strive for! Merit Awards are also cumulative, and horses may apply for future awards by using titles already earned as a stepping stone.

What's in it for you? For basic title awards, a small \$1 processing fee includes the horse being recorded in the NAMHSA Merit Award database and its photo appearing on our Facebook page. Award certificates are also available for \$5, which includes the cost of postage. Higher level award winners are also eligible to purchase a trophy plaque in addition to or in place of a certificate.

For more information about NAMHSA's Merit Award program, please visit www.NAMHSA.org/MeritAwards.htm.
